For the past five years we have had a poor flow of water at Hydrants on Maple Avenue. To improve this trouble, we cleaned 5,298 feet of 6" Cast Iron Water Mains; this work was done by the Flexible Underground Pipe Cleaning Company. The result was very satisfactory. At Draper Corner before cleaning, the flow was 160 gallons per minute; after cleaning, 750 gallons per minute were delivered. We hope to continue this work from year to year on our old Cast Iron Water Mains.

The report of the committee appointed at the last Town Meeting to make an investigation for an increased water supply, at this writing is as follows:

Engineers have been employed and reports submitted to them of various projects which will be offered at some future Town Meeting. Thus far, this investigation has cost the Department \$1,933.04.

Number of buildings served 686

which included the following:

Number of apartments served 1,308

Number of blocks 16

Number of Town buildings 9

In the past year there were 36 plugged services and two frozen ones.

A large amount of labor was done by W. P. A. help; the Hospital sewerage has been taken from the street drain on Hanover Street and connected to the Elm Street Line.

The sewerage was turned into the Disposal Plant Dec. 28, 1939, and the amount of sewerage treated at the Plant to Dec. 31, 1940 as registered by meter was 112,000,000 gallons or 307,000 gallons per day.

There have been several small changes made at the Plant during the past year, and there are more to make. Many people have visited the Plant from Town, other towns and even other States. Mr. Charles Richardson, our operator, is always glad to show visitors about the Plant and explain the operations which are really interesting.

Respectfully submitted,

CHAS. W. EASTER, Superintendent.

### REPORT OF TRUSTEES OF FISKE FREE LIBRARY

The year of 1940 has been a busy one at the library though there has been no increase in the number of books circulated.

77,314 books and magazines have gone out during the year. There was a drop in the number of children's books circulated which may be explained perhaps by the fact that we have not had enough new books and that many children are so busy with sports and other outside activities that they have less time to read.

1,273 books have been added, 923 by purchase and 350 by gift.

As usual we have borrowed books from the State Library and through their service we have been able to meet a great many special requests. Books have also been borrowed from Manchester and the College Library at Hanover. The Bookmobile makes regular trips to Sullivan County and is of great service to this community.

In addition to routine activities we have loaned books to the Public Schools, the Parochial School, Francis J. Tolles Home, Rural Women's Reading Club, the Newberry Library, and the Bookmobile.

Books have been called to the attention of the public by bulletin board display, newspaper publicity and table exhibits. We wish especially to thank the Advocate and the Eagle for printing our library notes. At times during the year we have had special displays, such as Garden Books, Boy Scout books, and religious books for Lenten reading. There is always a special table where latest books on the war may be found.

Several worthwhile reference books which have been widely used were added. Among them-

The Encyclopedia Americana

Adams—Dictionary of American History 5 vols.

Kinson—Encyclopedia of Drawing 5 vols.

Raymond—Modern Shop Practice 8 vols.

Townsend—Building, Estimating and Contracting

Good Book Week was observed in November. A book quiz for which prizes were given attracted many of the children. There was a display of new books from the Caroline Stoughton Bookshop and many of our own new books for children were displayed.

During the year we have had several exhibits of photographs from different Camera Clubs. These have been arranged by the Claremont Club. An exhibit of Belgian prints by Leonard Misonne attracted a great deal of attention.

Articles illustrating the life of Hans Christian Andersen were loaned by Mrs. Ruth Hamilton.

Conservation books and posters made by pupils of North Street School Grade 6 under Miss Morrison's direction were also displayed.

A story hour conducted by Miss Frances Snow was greatly enjoyed by the children.

Several groups of children came to visit the Historical Room and to learn something about the library.

One neighborhood meeting was attended and the State Library meeting at Keene. Miss Anne Rutowski attended the two weeks summer course at the University of New Hampshire.

Many gifts have come to the library during the year. Those most deserving special mention are:

Historical items:

Mr. Herbert Babcock  
Mr. George Ball  
Mr. Theodore Perry  
Mr. George C. Warner

Bookmarks:

Claremont Ice Co.  
Quimby & Rossiter

## HEALTH OFFICER'S REPORT

---

To the Board of Selectmen

The Health Department is pleased to report a great amount of interest and cooperation shown from the public this year.

Again this year it will be noted that there has been a slight decrease in the total number of communicable diseases reported by physicians and parents to this department. This decline has continued for the past five years also without epidemic form.

A total of ninety-two cases have been reported under the following classification: 11 measles; 49 mumps; 17 chicken-pox; 2 whooping cough; 1 German measles; 1 erysipilas; 4 scarlet fever; 1 meningitis; 3 pneumonia; 3 undulant fever; 8 venereal diseases; 11 tuberculosis.

Diphtheria immunization for the prevention of this disease has been continued as in former years by the health department with single dose free toxoid inoculation given to 123 school children.

Acting in accordance with the requirements of Chapter 123 Public Laws of New Hampshire, 234 school children were vaccinated at the beginning of the school year under the direction of the Board of Health.

There has, this year, been a marked increase in the number of nuisance complaints. The term "nuisance" is susceptible to board interpretation, being applicable to anything, condition, or practice, which can be deemed mimicable or generally offensive to the sense of sight or smell. Whether or not a thing is a nuisance is for the Health Officer to determine, and in it the law gives him a wide latitude with the exercise of due reasonableness and discretion on his part. This fiscal year 43 nuisance complaints were reported where definite action has been taken to abate these complaints, and an even larger number where conditions did not support the complaint and no action had to be taken. Warnings had to be given in a few cases but no court action had to be taken this year.

Routine inspections have been made of food handling stores, restaurants, ice cream parlors, barber shops, fruit stores, and drink dispensing establishments. The proprietors of these establishments are giving active cooperation in carrying out the requirements of state and federal laws pertaining to the sale and display of foodstuffs and beverages.

### Water and Milk Analysis

The public supplies of Claremont have been given periodic inspection and analysis, the results showing the water of excellent quality.

An increasing number of private springs and well supplies have been submitted to the state laboratory for complete sanitary analysis.

There has been routine inspections made of dairy barns and milk establishments in Claremont by the milk inspector and milk samples submitted to the State Board of Health.

The health department has this year with the physicians of Claremont endorsed and attempted to stimulate widespread interest in pasteurized, protected milk for the people of Claremont.

I wish to most sincerely thank the physicians of Claremont, the nurses connected with public health work here and the Claremont General Hospital and staff for the cooperation and assistance in carrying on the work of the Health Department for the past year, 1940.

Respectfully submitted,

WILSON R. HAUBRICH, V. M. D.,

Health Officer.

## AMERICAN RED CROSS

---

To the Board of Selectmen:

During the year 1940 the total number of visits made was 3647 and may be classified as follows:

Prenatal	374
Postpartum	379
Newborn	438
Noncommunicable	1355
Communicable	88
Crippled children	79
Health Supervision Visits	
Infants	584
Pre-school	67
Adult	54
Social Service	187
Unclassified	54

These visits were paid for as follows:

Free	2323
Metropolitan Life Insurance Co.	755
John Hancock Life Insurance Co.	207
Part paid	227
Paid	135

There were 579 babies weighed at the Red Cross Office.  
Office hours were held daily from 1 to 2 P. M.

Respectfully submitted,

EDITH SLOAN, R. N.

ANNUAL REPORT OF THE NEW HAMPSHIRE  
TUBERCULOSIS ASSOCIATION CLINIC  
AND NURSING SERVICE, CLARE-  
MONT, 1940.

---

The work of the New Hampshire Tuberculosis Association to eradicate human tuberculosis from the homes of Claremont and the State goes on through its system of organized diagnostic clinics, education of the patient in the home, searching out early cases and contacts, and "follow-up" for sanatorium treatment.

The tuberculin test and X-ray of the chest for all suspicious and contact cases, has resulted in a larger number of patients admitted to the sanatoria, and has hastened diagnosis in the many suspicious cases attending the clinic.

The Years Service:

Number of clinics	10
Number of persons examined	302
Number of new persons attending clinics	195
Number of new positive tuberculosis cases found	11
Number of children given tuberculin test found to have childhood type tuberculosis	16
Number of families under supervision	134
Number of patients having positive tuberculosis under supervision	149
Number of children having childhood type tuberculosis under supervision	51
Number of persons given tuberculin test	135
Number of persons having X-ray of chest	49
Number of patients cared for at Sanatoria	22

The funds realized through the sale of Christmas Seals pays for this work. We must not slacken our efforts, for the tuberculosis germ is a relentless foe.

We again thank the hundreds of persons who make it possible to continue this year round campaign by purchasing Christmas Seals, and all organizations who contribute in any way to the support of this work.

Respectfully submitted,

New Hampshire Tuberculosis Association.

CLUFFIE M. GOBIE, R. N.

Field Nurse.

## REPORT OF MILK INSPECTOR

---

To the Board of Selectmen:

Another year has passed in Milk Inspection, and during that year a number of meetings of the Dairymen and milk inspector, have been held, as well as meetings with the physicians of Claremont, in regard to total pasturization of the towns milk supply.

It has, (pasturization), been recommended by the Milk Inspector, the State Board of Health, and the physicians, but apparently the town and milk producers are not ready for it as yet. However, one more dairyman, Lane Bros., have installed a pasturization plant, giving us four complete plants at present, so now there is no question, but what people wishing pasturized milk can secure an ample supply, and those wishing raw milk can also be taken care of.

Approximately 275 visits have been made to stores and sources of supply in Claremont by the milk inspector, and in company with the State Board of Health.

Milk samples have been sent to the State Laboratory of Hygiene at Concord, and when necessary, corrections have been made in handling methods.

All cattle have been tested for T. B. and no producing cows have been found infected. The majority of herds have been Bangs tested and reactors removed and slaughtered under State and federal supervision. Milk licenses have been issued to 30 stores and 68 producers.

Again I wish to thank the producers for their cooperation in trying to give Claremont a good milk supply, and again, if the consumers have any complaints, of any kind in regard to their supply of milk, and they will call me, I will be only too glad and anxious to correct the trouble.

Respectfully submitted,

L. R. HAUBRICH, V. M. D.,

Milk Inspector.

## REPORT OF BUILDING INSPECTOR

For the Year Ending December 31, 1940

To the Honorable Board of Selectmen:

There were 13 new houses, 25 garages, 4 stores, 8 poultry houses, 1 barn, 2 filling stations and 1 church built during the past year. The rest of the building done has been alterations and repairs. There were 204 permits issued. The estimated cost of building operations was \$216,996.00.

Respectfully submitted,

W. E. ROUNDY, Building Inspector.

## CHIEF ENGINEER'S REPORT

---

To the Board of Selectmen:

I hereby submit my report for the year ending January 31st, 1941.

There were 12 bell alarms and 367 still alarms making a total of 379 alarms, 7 of these calls were out of town. The number of alarms the Department has answered for the year is 27 less than that of last year.

The estimated value of buildings damaged by fire	\$167,350.00
Damage to buildings	16,862.68
Insurance on said buildings	102,500.00
Insurance paid	16,162.18
Value of contents of buildings	35,500.00
Damage to contents	3,231.83
Insurance on said contents	14,300.00
Insurance paid	1,706.83

With a few exceptions the inspections of business places, has been carried out as in the past, with very good results.

The motor Fire Apparatus is in very good condition.

The Ladder Truck has had the four tires renewed this year.

The Barn and Apparatus floor have been repainted, a new roof was put on the shed the past year.

500 feet of 2½ inch hose was purchased during the year making a total of 7,000 feet of 2½ inch hose, and 1,400 feet of 1½ inch hose the Department has on hand.

No new Fire Alarm Boxes have been installed during the past year. With a few exception the Fire Alarm System is in good conditions, some repairs are needed.

The old boxes should be replaced with new and up to date boxes, and additional boxes installed in different sections of the Town.

Three new hydrants have been added during the past twelve months, one on Hanover St. near Leverett Griswold Farm, one on the corner of Lafayette and West Lafayette Sts., and one on Maple Ave., in front of J. P. Goddard's Bakery.

## PERSONNEL OF FIRE DEPARTMENT

Allen L. Palmer, Chief  
Esmond Dansereau, 1st Assistant Chief  
C. L. Cann, 2nd Assistant Chief  
C. F. Little, 3rd Assistant Chief  
Engine Company No. 1—6 Permanent Men  
Engine Company No. 2—4 Call men  
Hose Company No. 1—16 Call men  
Ladder Company No. 1—16 Call men  
Two Fire Police—Dona Greenwood and Robert Hadley

## RECOMMENDATIONS

I am recommending this year the purchase of a pick-up truck, to replace the old Buick truck which is 15 years old, and the installation of three new hydrants on Maple Avenue.

Due to increase in still alarms and the working conditions of the call men, if the present standard of efficiency is to be maintained, I would also recommend, that two additional permanent members be added to the Department thereby on many occasions it would be unnecessary for a bell alarm if these men were available. In my opinion the addition of these men would increase the efficiency of the Department.

## REMARKS

To the Board of Selectmen, Police Department, Telephone Company, American Legion, Officers and members of the Fire Department, and the Public in General I extend my sincere thanks and appreciation for the good support and cooperation rendered me during the year.

Respectfully submitted,

ALLEN L. PALMER, Chief Engineer.

## **FIRE WARDEN'S REPORT**

For Year Ending December 31, 1940

---

To the Selectmen and Citizens of Claremont:

I would submit the following report:

There were 6 Brush and Grass fires in the Town of Claremont the past year.

The total cost to the Department was \$53.92.

There are four Deputy Wardens, H. R. Fraser, W. M. Burr Fire Station, Alfred Pierce, Dean Hill, and A. H. Freeman, Red Water Brook.

The matter of permits is lived up to very well. There were 418 permits granted in 1940.

Due to the fact that the public cooperates with the Department and are careful, when burning near woodlands, keeps the cost of maintenance at a low figure.

I wish to thank the Public for their cooperation and assistance.

Respectfully submitted,

A. L. PALMER, Forest Fire Warden.

---

### **AUDITORS' STATEMENT**

We, the undersigned, Auditors of the Town of Claremont, have examined the foregoing accounts of the Selectmen, Town Treasurer, Collector of Taxes, Highway Agent, Selectmen's Overseer of Poor Account, Town Clerk, Chief of the Fire Department, Financial Agent of the Fiske Free Library, the Superintendent of the Claremont Water and Sewer Departments, the Trustees of the Town Trust Funds, the Cemetery Commission, Treasurer of the Moody Park Commission, Playground Commission, the Accounts of the Municipal Court, and find the same correct with proper vouchers.

HENRY C. HAWKINS,

B. E. SMALL,

W. H. FIFIELD,

Auditors of Claremont.
